Super Mario Bros. 3 is the top-selling video game of all time, and now it's back and better than ever on the Game Boy Advance! When Bowser and his ornery kids transform all the kings into animals, only Mario and Luigi can save the day. Jump, stomp and use mind-bending power-ups like the Warp Whistle and Tanooki Suit as you explore eight colossal worlds filled with vast seas, sun-baked deserts and gloomy castles. And now, great all-new enhancements make this all-time classic better than ever!

Use wild power-ups like the Super Leaf and the Frog and Tanooki Suits!

- Comes with two special Nintendo e-Reader cards! You'll be able to purchase additional cards, too!
